Press Release

Al Capone returns to Port Isabel.

History, ghosts, folklore and more.

Port Isabel, Texas September 29, 2017:

What do General Zachary Taylor, Jean Lafitte, President Warren G. Harding, and Al Capone, all have in common?

They each have a significant history in Port Isabel, Texas, and beginning Friday, September 29, 2017, they will have been brought back to life to talk about their tales of war, and treasure, during the "Spirits of Port Isabel, Tour".

An expert tour guide will lead this 1 ½ hour **walking adventure that begins** with Spanish explorers, followed by pirates, gangsters, ghosts, a journey into the Mexican American and Civil Wars, and more.

Re-animated historical figures, using actual pictures as they once were, will talk about their time in the old Port city. This rare combination of entertainment, and education is sure to be great fun for the entire family.

Hear the Spanish Explorer Alonso Álvarez de Pineda talk about the giants that he saw from the deck of his ship in the early 1500s.

Listen to the mysterious Griselda as she speaks of ghosts, and angels.

Watch as the Goddess of wind and storm, Guabancex tells of her fury, and the history of hurricanes that have affected the local region.

This state of the art presentation uses voice over artists from all over the world to achieve the proper affect and interpretation.

The tours will take place every Friday, Saturday, and Sunday evening. Tickets can be purchased through the website www.PortIsabel.tours or by calling 877.662.6822 Ext. 401.
